

# New Product

## The Pink Pad Reverse Trendelenburg Kit

### Anatomically Designed to Enhance Patient Safety

An Innovative seat mound of high-density, bariatric foam helps support the patient and combined with Pink Pad® material that helps prevent patient movement while in reverse trendelenburg.

### Uniquely Designed Seat

The Pink Pad Reverse Trendelenburg Kit represents a superior approach to safely preventing unwanted movement in reverse Trendelenburg. The raised seat of bariatric foam provides contoured support while the advanced Pink Pad® material molds and conforms to hold the patient gently, but securely.

### Maximise Patient Safety

The soft, breathable material reduces risk of Surgical Pressure Injuries

### Fast and Easy to Use Solution

The "Reverse T" pad sets up in under a minute and is single-use to minimise cross-contamination risk.

### XD40640 The Full Kit Includes

- 1 Pink Pad Reverse Trendelenburg Pad
- 1 Positioning Sheet
- 1 Knee and Body Strap
- 1 Headrest
- 1 Pair of Standard Arm Boards
